

EMAIL ADDRESSES

Monday, May 10, 2009

DEAR PARENT

The e-News was delivered to the entire school population by electronic means on Friday. This edition contained 8 pages of up to date information including a stop press announcement placed just before the final publication. The College is excited at the expansive opportunities that this format offers us and with any new processes there will be initial problems.

The number of families who have not supplied the College with a current email address has hindered our first full electronic distribution. Unfortunately, we do not have an email address on our College data base system for you. For this edition we have provided a printed copy (attached) but would like to rectify the situation as soon as possible.

*If you have already **responded** with an email address, we apologise, but would ask that you complete this form for us to update our records.*

Please return this slip to the Public Receptionist, Ms Dent, no later than **Wednesday May 13**. Phone - 9592 1500
